## INID Codes

### Patents

---

- (11) Document Number
- (21) Application Number
- (22) Application Date
- (31) Priority Number
- (32) Priority Date
- (33) Priority country or authority
- (40) Publication Date of Published Application
- (47) Date of Making Patent Available to the Public
- (51) International Patent Classification
- (54) Title
- (62) Number and filing date of the earlier application from which the present patent document is in addition
- (71/73) Name and Address of Applicant/Owner
- (72) Name of Inventor
- (86) International Application Number
- (87) International Publication Number

### Utility Models

---

- (11) Document Number
- (21) Application Number
- (22) Application Date
- (24) Date from which utility model has effect
- (31) Priority Number
- (32) Priority Date
- (33) Priority country or authority
- (45) Publication of Registration Date
- (47) Date of registration and making available to the public
- (51) International Patent Classification
- (54) Title
- (71/73) Name and Address of Applicant/Owner
- (72) Name of Inventor
- (86) International Application Number
- (87) International Publication Number

### EPs (desig. SK)

---

- (11) Document Number
- (96) Number and Filing Date of European Patent Application
- (97) European Patent Specification Number and Date of Issue
- (24) Date of Effect the EP
- (31) Number of Priority Application
- (32) Filing Date of Priority Application
- (33) State or Regional Organisation of Priority
- (45) Availability Date of Patent Specification Translation for Public
- (51) International Patent Classification
- (54) Title
- (62) Number of Original Application
- (71/73) Name and Address of Applicant/Owner
- (72) Name of Inventor
- (86) Filing Number of PCT Application
- (87) Number of Publication of PCT Application
